STEWARDSHIP

We ask you to be as generous as you can to the weekly parish offertory collection which is the main source of funding for the operating expenses of the parish. Please remember that even during the summer when so many are vacationing, these expenses continue. Thank you.

Church Parking

St. Saviour parishioners have courtesy parking every Sunday morning in the outdoor doctor's lot at Methodist Hospital (6th Street, just off 8th Avenue). Just tell the security officer you're attending Mass at St. Saviour. We are most grateful to Mark Mundy, President & CEO of Methodist Hospital, for this privilege.

Parish Support Program

In the fall of 2009, the Brooklyn Diocese began a Parish Support Program in most parishes. St. Saviour asked and received permission to delay the program for us until this fall. Below is a quote from Bishop DiMarzio:

The future of our diocese, as well as our parishes in Brooklyn and Queens, is in our hands. Coming together as one spirit, one soul, and one parish community to make an increased sacrificial gift each week will significantly impact the financial health of your parish, and the Church of Brooklyn and Queens. If you have not been a regular contributor to your parish, your help is needed now more than ever. Difficult times call for strength in numbers and for all to put out into the deep for their parish community.

More information will be available in September. Please visit the Web site: www.dioceseofbrooklyn.org/PSP

Parish Giving Options

- Option 1** Traditional weekly offertory ENVELOPES. Please contact the parish house to enroll.
- Option 2** ELECTRONIC GIVING THROUGH PARISH PAY. This offers you the opportunity to have predetermined monthly amount withdrawn from your checking account or credit card. Please visit parishpay.com to join or contact the parish house.
- Option 3** If you do ON-LINE BANKING for your other household expenses, you can simply do the same for the parish offertory. Just go to your repeating payment screen and set up St. Saviour Parish as a payee account. You will be given the option to set up the payment on a weekly or monthly basis.

Catholic Funeral Mass Celebrations

In recent years, especially since 9/11, eulogies have become common at Catholic Funeral Masses. While it is wonderful and often very touching to hear family and friends share memories of their deceased loved one, the more proper setting for eulogies is during the Vigil (wake) service. The Vigil (wake) service celebrates our loved one's life on earth while the Funeral Mass celebrates our loved one's union with God in heaven. The chapel in the funeral parlor can be (and often is) adorned with pictures and mementoes (and sometimes even a video) capturing special occasions in our deceased loved one's life; this is the time to eulogize her/him. You may wish to do so at the graveside service and/or at the family luncheon as well, but it's best not to have eulogies during Funeral Masses. Thank you for your understanding.

Summer Teen Group

Teen Group will be meeting in the elementary school basement during the summer at 7 PM. Come join us as we begin working on the foundation for our new group, enjoy a movie or open gym. Please call GeriAnne at the parish house for dates and details.

Scripture Study

Scripture Study meetings will resume on Saturday, September 18, from 11 AM until 12 noon in the parish house. Please join us as we study the readings for each week. Contact Madeline at mlee1024@nyc.rr.com or call (718) 636-1492 for more info. All are welcome!

50/50 Raffle

Each month St. Saviour's has a 50/50 raffle for the parish. The winner is drawn on the third Sunday of each month. It cost \$10 a raffle and the envelope is included with your monthly packet. Extra envelopes are available in the narthex.

CUB & BOY SCOUTS

Cub/Boy Scout registration is presently going on; boys need to register to participate. If you would like your son to take part in this summer's events and discounts, please call Geri Anne at the parish house to obtain an application for boys, committee and Den/Pack leaders.

HOMILY RECORDING

Fr. Murphy records a brief, three-minute homily each day (except Monday) based on the Scripture readings of that day's Mass. You can call (718) 768-2560 to listen.

Diocesan Reconfiguration Prayer

God of faithfulness, God ever new, We know You are always present to us. We are in need of energy and renewed hope; we are in need of Your wisdom to see Your ever present design in this time of uncertainty. We call to mind our bishops, our pastors, deacons, parish leaders, parishioners, religious sisters and brothers, as all come together to discern the needs of the diocese for change and conversion, for growth and transformation. Guide our hearts inspire our minds and lift our spirits so that God's reign will continue to be reality in our time and place. We ask this in the name of Jesus, our brother. Amen.

ST. SAVIOUR WEB SITE

We've made improvements to our Web site: saintsaviourchurch.org. Check out the weekly Mass recordings, daily scripture readings, and links to the Brooklyn Diocese. All suggestions are welcome.

New Hope for Infertility

Struggling with infertility or recurrent miscarriage? There is an alternative to In vitro fertilization that is completely in line with Catholic Church teaching and allows for natural conception, with success rates that are as good or better than IVF. NaProTECHNOLOGY is a new approach to correcting infertility and preventing miscarriage. It is based on 35 years of scientific research and is available at the Glanna Catholic Healthcare Center for Women, in midtown Manhattan. Informational sessions about the approach are held on the third Thursday of every month at St. Catherine of Sienna Church, 411 East 68th Street, New York at 7 PM. For more information, visit www.glannahealth.org or call (212) 481-1219.

Mass Intentions

Recently, Bishop DiMarzio directed that up to 5 intentions could be accepted for weekend Masses. This affords the family and friends of the deceased (or sometimes living) more opportunity to attend the Mass. At St. Saviour we limit Mass intentions to 3 per weekend Mass and 1 per daily Mass. We try to accommodate as many requests as possible, so we can't always guarantee a weekend Mass intention.
